

## EMPLOYEE SPOTLIGHT

### KEVIN BYERS, PSP Scheduling Manager

---

#### **Tell us a little about yourself. What is your role at KKCS?**

As Scheduling Manager, I have worked on projects involving highways, bridges, grade separations, ports, schools, interchanges, buses, airports, water treatment, testing lab, hospitals, buildings, parks and trails. I currently oversee project and contract delivery methods (DB, DBB, P3, CM/GC) on rail (high speed, heavy, light) projects.

#### **What are your professional strengths?**

I have over 25 years of experience in scheduling and claims analysis and bring a diverse background consisting of project & program management, project controls, and field inspection.

#### **What are some notable projects you have worked on?**

Honolulu Rail Transit, California High Speed Rail, MBTA Green Line, Alameda Corridor East Grade Separations, and City of Riverside Grade Separations.

#### **What do you do when you aren't working at KKCS?**

I have taught scheduling to engineers under an in-house company program.
