

# EMPLOYEE SPOTLIGHT

## BRANDI CAGNOLATTI

Assistant HR Manager

---

### **Tell us a little bit about your qualifications and your role at KKCS.**

Before joining KKCS, I coordinated and administered socially impactful programs for public and private-sector organizations such as universities, the US military, and local non-profit real estate finance companies. I graduated with a BA in Sociology from the University of Southern California. As Assistant HR Manager, I plan and execute key initiatives to support human resources programs. My knowledge in human resources, administrative coordination, and client services is leveraged across several departments, including marketing and recruiting. I also administer the day-to-day operations of HR and act as the liaison between management and employees.

### **What do you enjoy about working at KKCS?**

Aside from the people I work with, I like the growth opportunities I have had over the past five years with KKCS. I also enjoy having different responsibilities in my role and not just having one specialized task.

### **What do you do when you aren't working at KKCS?**

In my spare time, I practice yoga and like to spend quality time with my daughter, family, and our dog.
