

EMPLOYEE SPOTLIGHT

CHRISTY ILEJAY

Assistant Program Manager

What did you do before joining KKCS? Tell us about your background.

I have had a love for aviation projects since working on the LAX Capital Program since 2009 and have come to equally enjoy the transit field. With more than 27 years of comprehensive experience in project management and project controls, I have worked in various industries, both on public and private sector projects, and have extensive involvement working on project management teams for Los Angeles World Airports (LAWA) and Metrolink projects.

What is your role at KKCS?

I support KKCS with contract administration, recruiting, and general marketing. I have been with KKCS since April 2017 and am excited to be heavily involved in supporting the KKCS and Triunity Joint Venture (KTJV) field staff and LA Metro. I am happy to currently support the KTJV Program Management team as Contract Administrator for our LA Metro Program Management Support Services contract.

What are you interested in outside of work?

I enjoy spending time with my husband and our five grandchildren, who keep us very busy and active. As you can imagine, there is never a dull moment!
